" प्राचाया की कलम से एक संदेश "

दशक के अंतिम वर्ष में "कोविड-19" की सुनामी ने जहाँ विश्व के हर कोने में तबाही मचा दी, जिसकी लहर अब तक पूर्ण शांत नहीं हुई है। बच्चे अब तक घरों में कैद पड़े हैं, विद्यालय का मैदान, दीवारें अपने असली मालिकों की हँसी, उछल-कूद से महकम हैं।

ऐसे में ऑनलाइन कक्षाओं की पहल ने जहाँ शिक्षक-छात्र संगठन को जारी रहने दिया, वहीं इस रिश्ते को जीवित रखने के अनूठे नायाब तरीकों को भी जन्म दिया। ऐसे ही क्षणों में उठे हमारे भावों के तरंगों को लेकर विद्यालय की पत्रिका 'तरंग' को आपकी नजरों में पेश करते हुए मुझे अति हर्ष हो रहा है, उम्मीद है कि हमारी 'तरंग' के पन्ने आप में वही आशा की तरंगों का संचार करेंगी।

शुभकामनाओं सहित प्राचाया भोगी रंजना झा

कोरोना पर कविता

क्यों आया है तू इस देश में इस पवित्रभूमि में,
इस हसले-खिलते देश में, इस गुनगाते देश में
जबसे यहाँ आया है यह देश आ गया भायूसी में
अब तू आ ही गया है, तो छूटे रहें ही क्यों
कोहराम मचा रहा है, तो तुझसे डरे ही क्यों
निपट लेगे तुझसे हम भारतवासी
और न रहेगी तेरी निवासी
तेरे सामने सर नहीं झुकाएंगे।
तू कितना ही बवाल करले तुझे डूँढ़कर मोड़ेंगे।
साबुन से हाथ धोएंगे।
मुँह पर मास्क पहनेंगे
तुझसे हाथ तो नहीं मिलाएंगे
पर हाथ जोड़कर भगाएंगे
कितनों ने अपने खोए हैं
कितने ही वीर अपनों ने अपने दम तोड़े हैं।
धन्यवाद सरकार को
धन्यवाद चिकित्सकों को
धन्यवाद प्रशासन को

मिलकर भगाएंगे, इस देश से तुझे कोरोना
ध्यान रखना कि ॐ कोई रोड पर जा निकलना

आए रोना

ओ करोना, ओ करोना
तुझे देख सब को आया रोना
घर पर रहकर सुरक्षित रहना
तूने सिखा दिया ओ करोना ।

स्कूल जाना बंद, बाहर खेलना बंद
पूरी दुनिया हो गई ताले में बंद
रहते है हम घर में बंद
क्या करे हम, क्या करे हम ।

घर पर रहकर क्लास करना
तूने सिखा दिया ओ करोना
ओ करोना, ओ करोना
तुझे देख सब को आया रोना

कोरोना काल का एक वाक्या

कोरोना में सब कुछ बदल गया, चार लॉकडाउन हुए लेकिन फिर भी कुछ ही बदलाव हुए। बहुत से लोग फिर भी घरों से बाहर निकलते थे। कोरोना जब शुरू हुआ तो हमें लगा की कोई मामूली बीमारी होगी। लेकिन जब कोई घर से बाहर नहीं निकलता था, स्कूल बंद हो गए थे बाहर जाते वक़्त मास्क पहनने होते थे, तो इसकी भयानकता का अंदाजा हुआ। मेरी दादी का बैंगलोर में ट्यूमर का इलाज चल रहा था। 22 फ़रवरी को मेरी दादी यहाँ आ गई थी। मेरे दादाजी 70 साल के है फिर भी बिना किसी के अकेले गाँव में रहते थे। दादी माँ थी तो इधर मगर उन्हें यह जगह अच्छी नहीं लगती थी। उन्होंने यह बात मुझे बताई नहीं लेकिन मुझे पता चल गया क्योंकि वो गाँव में रहती थी और यह शहर था घर एकदम बंद बंद-सा था। सब कुछ नया था यहाँ उनके लिए।

उनको एक बार फिर डॉक्टर से दिखाने जाना था मगर कोरोना के कारण डॉक्टर ने मना कर दिया। गाँव जाते वक़्त ट्रेन बुक करने में परेशानी हुई। ट्रेन में खाना नहीं दिया गया। आते वक़्त एक ट्रेन छूट गई फिर दूसरी बुक करनी पड़ी।

पापा ऑफिस जाते थे और हमसे ज्यादा बात नहीं कर पाते थे। डर सबको था। मासिक सामान महँगा होने लगा। जब भी दुकान जाते थे तो लंबी लाइन लगानी पड़ती थी। पैसा होने के बावजूद हम कुछ नहीं कर सकते थे। डर के मारे हमने रोज सुबह व्यायाम करना, गिलोई, अश्वगन्धा का सेवन करना और तुलसी का काढ़ा पीना शुरू कर दिया। हम घर से बाहर नहीं निकल सकते थे। स्कूल बंद हो गए। आठ की जगह हम तीन सब्जेक्ट पढ़ने लगे। मोबाइल से आँखों पर बुरा असर होने लगा।

सब कुछ ठीक चल रहा था। अचानक एक दिन पता चला कि मेरे भाई पार्थ की सबसे करीबी दोस्त को कोरोना हो गया है। वो हमेशा पार्थ के पास ही रहती थी। मम्मी और पापा डर गये, धीरे-धीरे सब ठीक हो गया। कोरोना की दवाई बन गयी। कोरोना जाते-जाते हमें यह सिखा गया कि “जिंदगी घर के अंदर भी है।” किसी भी रोग का सबसे अच्छा इलाज बचाव है

Corona : ' A hero of my life'

A hero is one who does heroic acts to remove the villain of the society. In the 50th year of my earthly sojourn and 20th year of my professional l

ife. Such a Hero called CORONA entered in my life, to remove the villain in my life ,i.e, my age old fear in using or exploring ICT, and becoming digital.

Yes initially the size of my Hero and its power , scared me but gradually he initiated me towards the path, where I was hesitant to go.

My Hero compelled me to jump into the ocean of ICT and dive on my own. Due to lack of interest , initially it was difficult , consumption of more time, physical problems due to regular watching of screen, certain difficult terms to comprehend the terms forced me to swim back but then again presence of my hero as strong villain forced me to take dive and use youtube and google guru to learn.

From the month of April 2020 this diving started and pearls which I was able to collect ,use and treasure were, selecting best motivational audios , best craft videos,, for students ,on daily basis, their cuitting , editing , conversion and sending through WhatsApp messages, usage of Google Meet and a google Classroom for conducting class and its observation, Organising live yputube sessions by OBS, creating youtube links for various pre recorded program, Organising live competitions of students through Google meet, Organising Webinars as convenor and coordinator, Organising talk Life is a Challenge Let's meet it, series as convenor, talking and exploring the Knowledge and wisdom tanks from such personalities, Designing and generation of e certificates, e cards.....

My Hero provided me an opportunity to fulfill my dream project, to bring those personalities, face to face with students of Vidyalaya, who are fulfilling their life by doing some thing beyond trend, either by service to mankind, or by transforming their life's adversities , into opportunities of their success and contentment.

My Hero taught me Life is all about uncertainties ,learning to accept and cope up with them. This is called Self Confidence.

Ignorance is the cause of every fear, Universe is positive if we are positive , is negative if we are negative.

My salute to CORONA my Hero for making me a warrior and hero of my life.

My Grand Father

My grandfather though very old,
Is more precious than gold,
He does his work all day long,
Humming in his mind an old melody

He is solemn,
And teaches me poems,
He is smart,
And gives what even I want,

He can solve any mystery
And very well teach me history
He is always humble
And does not grumble
For me he does all that he can,
He is really a very good man.

*Corona! You are born in China
Your nick name is Covid-19
You are dangerous virus
You have no cure-It is for sure
We were locked down in homes
Suffering a lot
Not meeting friends-Not going to school
Not playing games-It's very boring
Rich and poor- stand together
Wearing masks-keeping distance
Washing hands-Sanitizing rooms
We are sure-you go out soon
Then, I will go to park
The world will be better*

Awakening our Human Possibilities - A Recap

Exploring the importance of awakening our human possibilities (50 min)

An example of 'seeking perfection' that we can be proud of -

INDIA TODAY

Craftsmanship has always been a part of India's cultural heritage. It is an industry known for its intricate and diverse art. Celebrations and designs from across the world admire and treasure certain rugs and dresses made by Indian craftsmen.

American designer Kenneth Cole was inspired by the embroidery and craftsmanship of Indian garments. "Our workmanship and attention to detail is an element that we always look for in inspiration."

Attention to detail has been the hallmark of Indian craftsmen for thousands of years. This has led to the creation of many wonders, for e.g. -

The fine work of handwoven silk sarees, potters, walls, etc. Simple sarees for their simplicity, woven sarees, potters, walls, etc.

Awakening our Human Possibilities - A Recap

Exploring the importance of awakening our human possibilities (50 min)

In Year 2 we learnt -

How to develop our universal possibilities, so that we are not just good at what we do (by developing our unique possibilities), but become great (awakened) citizens of India (by developing our universal possibilities)

- being a truth-seeker (developing shraddha (recognizing the sacred))
- being heroic
- expanding ourselves
- living in harmony
- seeking perfection

FAITH OVER FEAR

Fear is the most debilitating emotion in the world, and it can keep you from ever truly knowing yourself and others - its adverse effects can no longer be overlooked or underestimated. Fear breeds hatred, and hatred has the power to destroy everything in its path.
